CHILDREN'S CHARITY GAINS SUPPORT FOR ANNUAL BALL

Dubai The Children's Hope Foundation (CHF) has gained support for its forthcoming annual Charity Ball, to be held on November 6. Inter-Continental Dubai Festival City has extended support by providing a venue for 700 people free of charge. The ball has been organised to raise funds for various charities that support underprivileged children around the world. Zenny Hirji, chairperson of CHF, said: "The support from the local community and organisations to our Annual Charity Ball is overwhelming."
