### Children's Charity Ball on Nov 6

#### Staff Report

DUBAI — Children's Hope Foundation (CHF), a humanitarian organisation working towards the welfare of underprivileged children worldwide, has gained strong support from the local community of Dubai for its upcoming annual Charity Ball on November 6, a Press release stated.

Zenny Hirji, chairperson, CHF, said: “The support from the local community and organisations to our Annual Charity Ball is overwhelming. It highlights

the strong concern shared by the community at large of under-privileged children and their desire to be active participants in improving their lives.”

InterContinental Dubai Festival City will provide the venue as well as dinner for 700 persons, free of charge.

Tom Meyer, Area General Manager, InterContinental Dubai Festival City, said: “It is a warming thought to imagine how many lives will be affected for the better thanks to the efforts of the charity and the guests of their gala dinner on November 6.”
